CINDY THOMPSON

My name is Cindy and I am so glad you found your way to me! With my know-how, enthusiasm as well as the skill and expertise of my amazing local bunch of preferred suppliers, I look forward to assisting you to make your wedding or event perfect.

I am a once-upon-a-time city gal who fell in love with the quirky beauty of the West Coast and its people and now can't imagine myself anywhere else. I have many years of experience in Marketing, Sales & Event co-ordination. I am dedicated & passionate about creating a-dreams-do-come-true wedding day for every couple I work with or a one-of-a-kind event for my clients. Having coordinated and planned over 300 weddings in my 9 years in the industry I am well versed in all things weddings and events!

I love Weddings - big or small, the whole shebang & fam-damilly or an understated, romantic occasion for two. I am passionate about all things Wedding; the inspiration, the save-the-dates, the flowers, the colours, the dresses, the confetti, the cake, the wine, the food, the venue *Deep Breath* and I am here to help you figure it out...every step of the way.

I love getting to know the love story, the vision for the special day and to work with my couples and venues to plan and create a memorable, perfect day for all involved.

I don't limit myself to weddings only, having plenty of experience in party planning and corporate function coordination.

My other obsession is all things pretty! This lead to the birth of our floral and decor company, Sage & Myrtle. Along with floral and decor experts and stylists, Sage & Myrtle offers a one-stop-shop in all things pretty on the West Coast.

I look so forward to working together to make all your pretty dreams come true!
